STUDIES APPLIED FOR

Ph.D. Physics

RESEARCH INTERESTS

Thin film material preparation and characterization

EDUCATION AND TRAINING

Sept. 2018 – Jan. 2020

Doctor of Philosophy (Ph.D.) Materials Physics and Chemistry

Fully Funded CSC Scholarship

Northwestern Polytechnical University, Xian, China

Research Field: Materials Science, Condensed Matter Physics

Skills and expertise:

- Oxide two dimensional electron gas (2DEG)
- Complex Oxide Heterostructures
- Thin Film Deposition (PLD, MBE, Spin Coating)
- Material Characterization (Electrical Conductivity, Magnetic Properties, Optical Response)
- Surface Characterization (XRD, AFM, XPS, SEM)

(Due to the COVID-19 pandemic (Jan 2020 - Jan 2023), I couldn't return to China for research after semester break. My scholarship ended, and I couldn't afford my Ph.D. degree, so I abandoned my lifelong dream and since then I am searching for a suitable scholarship position.)

Sept. 2013 – Dec. 2015

Master of Philosophy (M.Phil.) Physics

Distinction: 4.0/4.0 CGPA

University of Agriculture, Faisalabad, Punjab, Pakistan

Thesis title: Thermal properties of fired clay bricks.

Major courses studied:

- Materials Science, Atomic Spectroscopy, Electrodynamics
- Methods and Techniques of Experimental Physics, Methods of Mathematical Physics
- Advanced Quantum Mechanics, Experimental Statistics, Digital Image Processing

Feb. 2011 – Jan. 2013

Master of Science (M.Sc) Electronics

Quaid-i-Azam University, Islamabad, Pakistan.

Projects at the end of each semester.

Major courses studied:

- Quantum and Physical Electronics, Electromagnetic Theory, Digital Design using Verilog-HDL
- Applied Mathematics, Electronics, Microprocessor Based Design
- Computer Programming, Computer Architecture, Digital Logic Design

Sept. 2008 – Aug. 2010

Bachelor of Science (B.Sc)

University of the Punjab, Lahore, Punjab, Pakistan.

Math-A, Math-B, Physics

Sept. 2006 – Aug. 2008

Higher Secondary School Certificate (F.Sc.) Pre-Engineering

Federal Board of Intermediate and Secondary Education, Islamabad

May 2004 – Aug. 2006

Secondary School Certificate (Matric) Science

Federal Board of Intermediate and Secondary Education, Islamabad

PERSONAL SKILLS

Mother tongue(s) Punjabi, Urdu

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B1	C1	C1	C1	C1

Digital Competence

Matlab	COMSOL	Origin	M.S. Office	Proteus
Independent user	Basic user	Independent user	Proficient user	Basic user

Laboratory Skills

Apparatus used

- Pulsed Laser Deposition (PLD)
- XRD
- Atomic Forced Microscopy (AFM)
- Hall Measurements at low temperature and High magnetic field with laser irradiation

WORK EXPERIENCE

Aug. 2022 – Present

Lecturer Physics

Aslam Foundation Model College, Rawalpindi, Pakistan.

Aug. 2016 – Aug. 2018

Secondary School Educator

School Education Department, Government of Punjab, Rawalpindi, Pakistan.

May 2014 – Aug. 2015

Lecturer Physics

ISM (Institute of science and management) College, Faisalabad, Punjab, Pakistan.

Sept. 2013 – April 2014

Lecturer Physics

Al-Haram College of Science and Commerce, Faisalabad, Punjab, Pakistan

AWARDS AND DISTINCTIONS

Conferences, Seminars and Certifications

Attended two day Workshop on the "Reference Management and Scientific Writings", organized by University of Agriculture, Faisalabad
Attended one day Seminar on the "New Horizons and Recent Advancement in Physics", organized by University of Agriculture, Faisalabad
Attended three day NOOR 2nd International Symposium on "Applied Materials & Nanodevices", organized by National Institute of Laser and Optics.
Attended one month training on "Crystal Structure Determination", organized by UAF, Faisalabad
Attended one day seminar on "Current Trends in Nanotechnology & Its Future Perspectives", organized by Dept. of Physics Government College University, Faisalabad
Certification of Participation by Quaid-i-Azam University Adventure Club.

Honours and awards

Three times received University Merit Scholarship at Master's Level at QAU Islamabad
Won Laptop under Shehbaz Sharif Youth Initiative Program.
Won the Shield of Honour, for excellent academic performance (highest CGPA) in M.Phil Physics at UAF, Faisalabad.
Won Merit Scholarship for highest CGPA at University of Agriculture, Faisalabad.
